-International Competitions and Assessment for Schools

Dear Parents and Caregivers,

Each year we give the students in Years 2-6 an opportunity to enter a number of academic competitions. **Entry to these competitions is voluntary.** The competitions give the students the chance to test their abilities against students in the same year from schools around Australia and Asia.

Students may enter any one or more of the six competitions. There is a fee of **\$17.50** to enter each competition (**\$21.50** for Writing). All participating students receive a certificate. Each student also receives a printout of their results that indicate how they performed on each question.

If you would like your child to participate, please indicate which competition/s you would like your child to enter on the slip below. All entry forms need to be accompanied by correct payment.

Please note: in 2022 all competitions will occur during lunch (after students have eaten).

Entry form and money for all competitions need to be returned to the school by **Wednesday 22nd June 2022**. If paying online please enter "ICAS" in the Payment Description under "other". EFTPOS payments can be made at the office.

If you have any questions please come and see Miss Wilson.
